

# **ULTIMATE ALL-ROUNDER**

**DON'T TAKE OUR WORD FOR IT,  
HERE'S WHAT THE EXPERTS SAID...**

***“The MU-X may just be the best all-around family, off-road SUV on the market”***

Jenny | CarTell.TV 

**ISUZU  
MU-X**

***“The second-generation MU-X simply offers more of what buyers want across all of its many areas of expertise - it’s the automotive equivalent of a Swiss Army knife, with the tools for every job... the new Isuzu MU-X has been worth the wait.”***

Rod Chapman | Carsales 

***“We’ve got to say, we’re impressed. Isuzu really have delivered like never before, and not just on this variant, but across the whole range.”***

Mathew Probert | Exhaust Notes 

***“Out of the box, then, the new Isuzu MU-X is a winner. It’s comfortable on-road, more than capable off-road and hugely practical.”***

Callum Hunter | GoAuto 

***“With all that extra safety gear, improved cabin and dead-set ruggedness, it’s a compelling proposition.”***

Peter Anderson | Wheels Magazine 

***“The update has rendered an already capable off-roader even better...for anyone intent on heading bush, this new MU-X makes for one compelling package.”***

Rod Chapman | Carsales 

***“It’s got a new design, more safety and comfort tech, and all those familiar features that make the MU-X such a popular buy for Australia...Isuzu updated the MU-X in a way that makes it a perfect family vehicle, great for towing and long travels, accommodating on the inside, large at the back, very safe, and more capable off-road than almost all similarly priced so-called SUVs nowadays.”***

Jenny | CarTell.TV 

***“Isuzu MU-X: I reckon they have done a ripper job with this machine.... it’s got all the latest tech, nice and fun to drive, it’s got a punchy engine and if you do have a family, this is the perfect chariot for heading off into the sunset... And in terms of off-roading, now with the kit that they have in it, it does virtually everything that you would probably need to do.”***

Paul Maric | CarExpert 

***“Key among the tasks likely to be completed by vehicles in this segment is towing - heavy cumbersome things like boats, caravans or horse floats. It’s an area where the new MU-X is going to make ground.”***

Stuart Martin | CarsGuide 

***“There are still a lot of reasons to like this engine in terms of potential durability... [when towing] the MU-X was steadfast in its performance. Utilising that torque, it felt unfussed by the weight.”***

Sam Purcell | Drive.com.au 

***“The 2021 Isuzu MU-X is safer and more practical for families. With a larger fuel tank and 100kg roof capacity, there’s plenty of good news for off-road tourers as well...So far, I’m impressed.”***

Evan Spence | 4x4 Australia 

***“Around town, the new MU-X is a great family car. Add on a caravan and it’s the same frugal, reliable and dependable MU-X we’ve always loved.”***

Tim Van Duyl | Caravan World Magazine 

***“As per the D-MAX, the arrival of Isuzu’s Intelligent Driver Assistance System (IDAS) brings next-level safety to the MU-X... the importance of [its] progression as far as safety is concerned shouldn’t be understated... now it’s a light-year leap ahead.”***

Rod Chapman | Carsales 

***“This is a very easy vehicle to live with daily. Especially when considering how much safety technology has been incorporated into it... This showcases an absolute stonking amount of modern safety, which would have to be class leading (or very close to) in this wagon category.”***

Evan Spence | 4x4 Australia 

***“When it comes to safety the new Isuzu MU-X is right up there, with all the new safety technology you would expect in a modern family SUV.”***

Tace Clifford | BabyDrive 

***“Safety is a must for those in the market for a seven-seat family vehicle, and the MU-X provides a safe choice for active families.”***

Carla Hoorweg | Australasian New Car Assessment Program (ANCAP)
